In order to identify plot locations, we divided the previously unmapped churchyard into Sections, and then indicated the remaining visible memorials. To locate a memorial, find the Name and Plot above, then refer to the Section plans below.

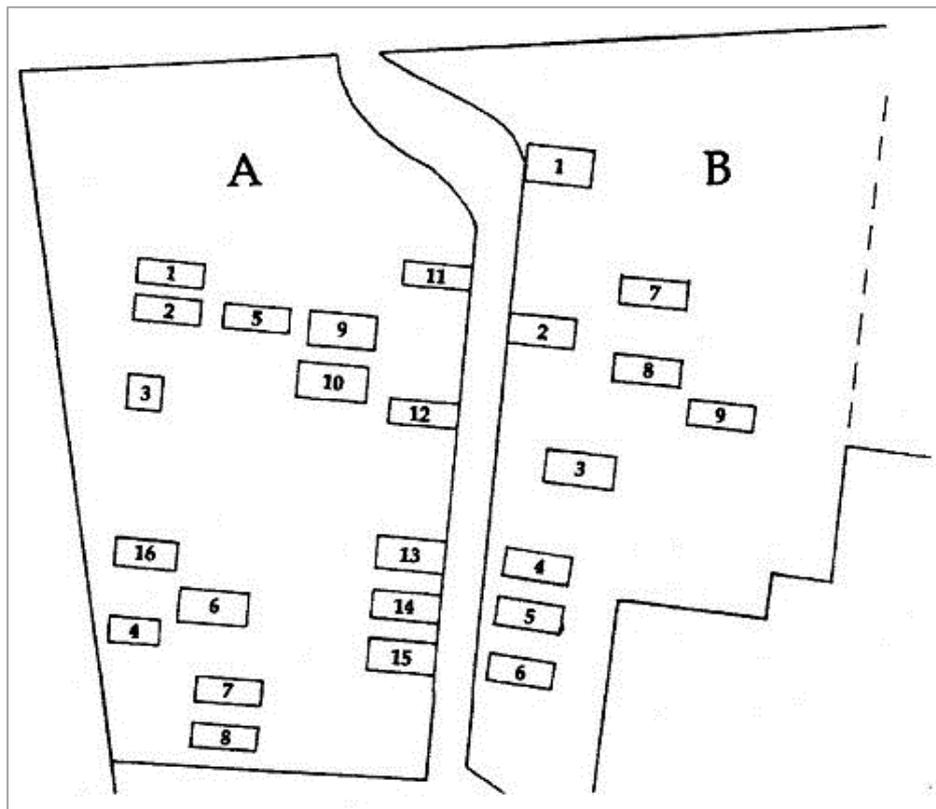

Section Plans are also available on our website and in the book *"As I am now, so you must be"* which also contains the inscriptions found at St Peter's, and lists them by Section rather than alphabetically.

Overall layout of St Peter's, East Blatchington:

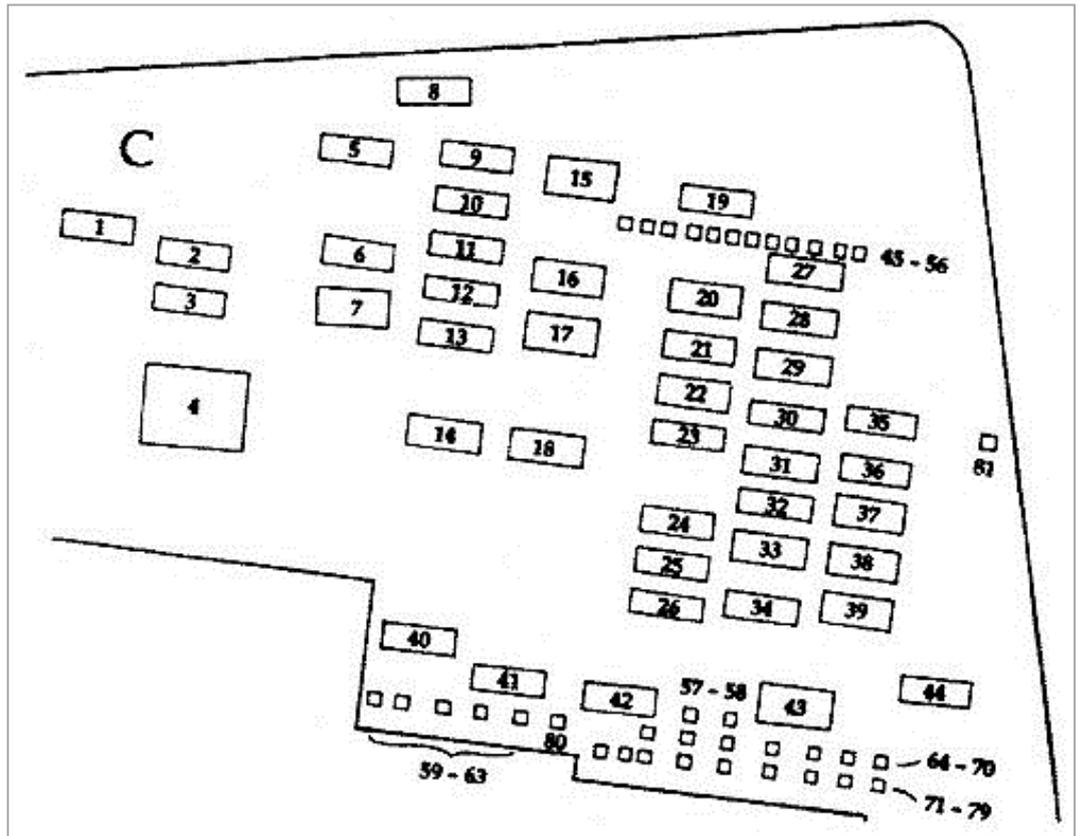

(If visiting, parking is not possible on Blatchington Hill, but is normally available in Belgrave Road)

Sections A and B:

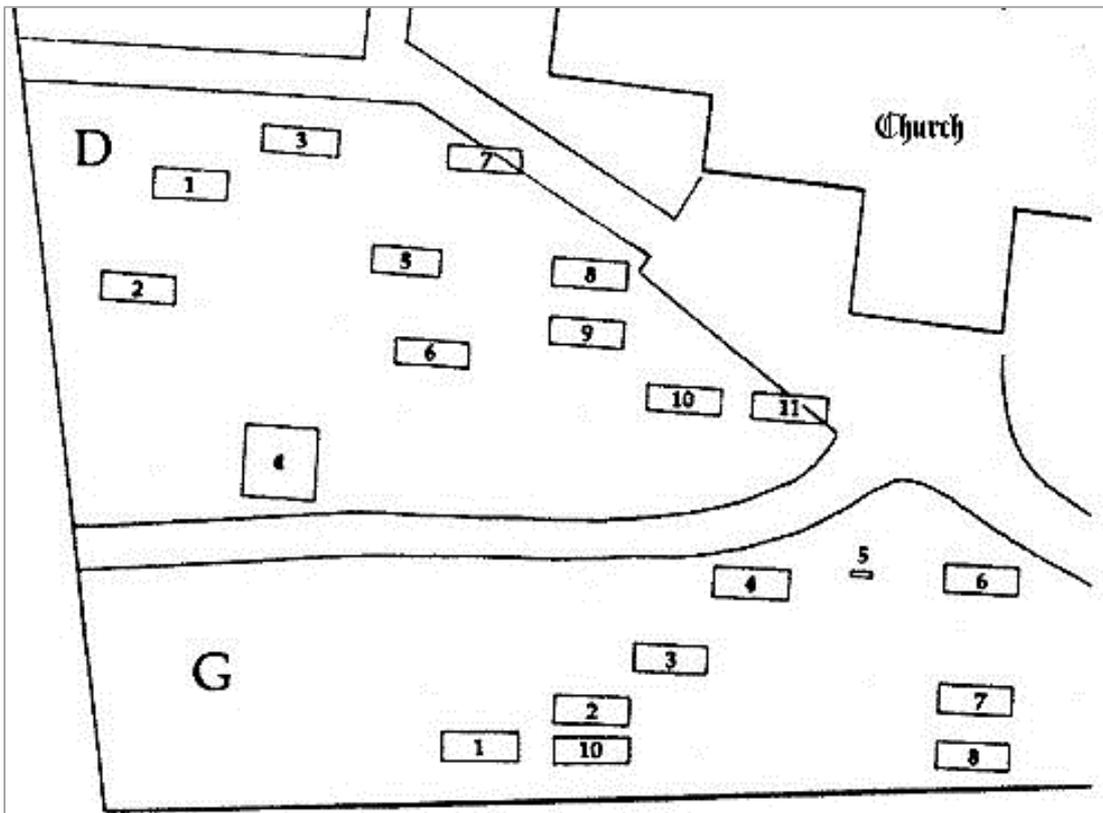

Section C:

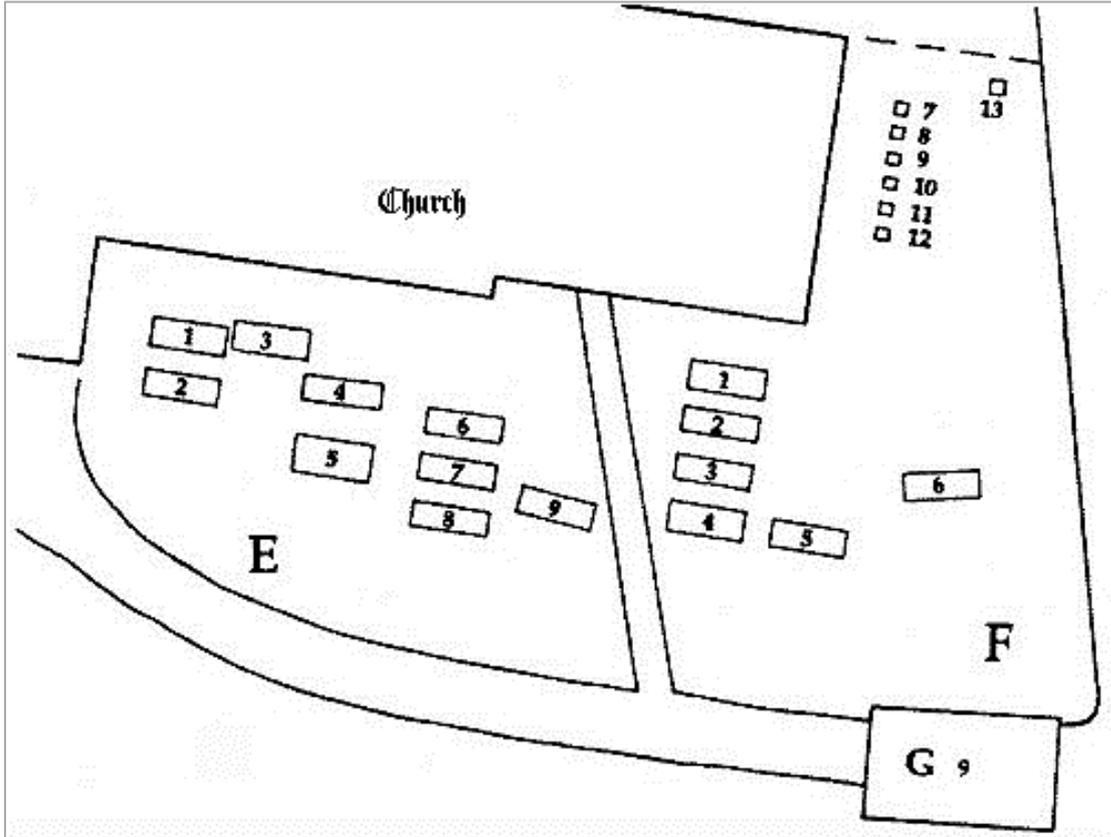

(The smaller plots are memorial or ashes plaques)

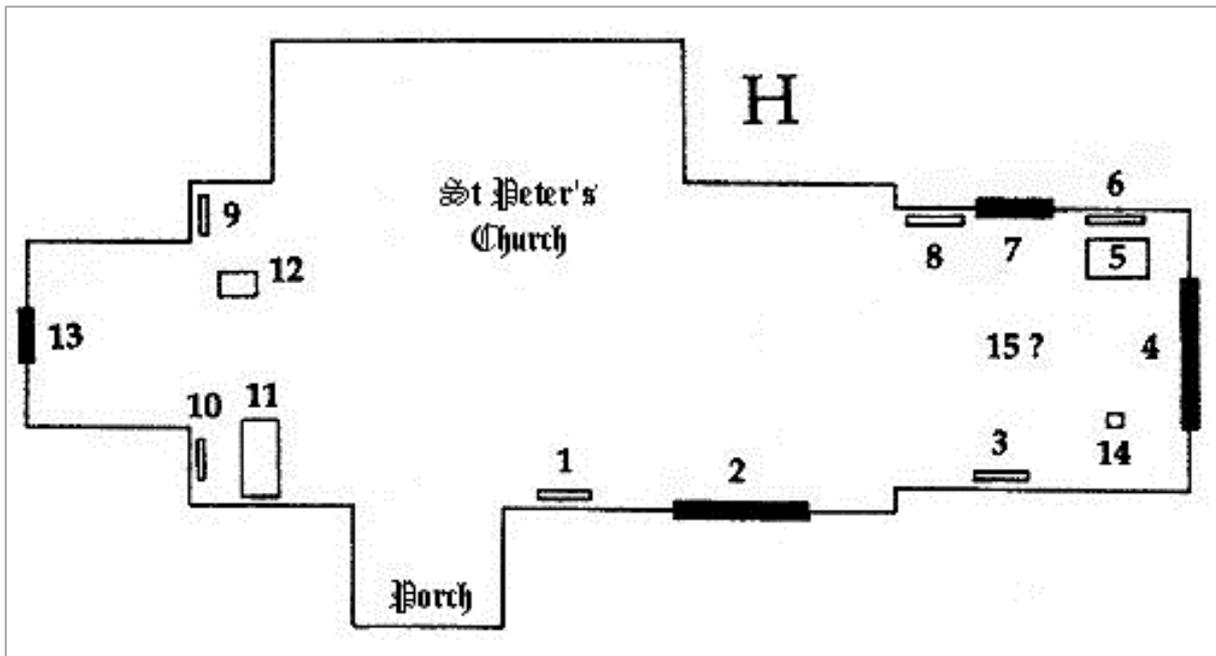

Sections D and G:

Sections E and F:

Section H (inside the Church):

Thanks are due to Rodney Castleden for his considerable efforts to measure the churchyard and draw the plans.
